# Welcome to Frinton-On-Sea Lawn Tennis Club

Founded in 1899, Frinton-On-Sea Lawn Tennis Club retains many original features, including vaulted beams, a thatched roof, and a sprung wooden dance floor that gives the ballroom its distinctive charm.

The ballroom offers a versatile blank canvas, allowing you to personalise the space and create your ideal wedding day. Licensed for civil ceremonies, alcohol service, and live music until midnight, the venue can host your entire celebration in one place for up to 150 guests.

Just moments from Frinton Beach, the Club offers a stunning seaside backdrop for intimate wedding photos. Our on-site caterers provide a range of dining options, from elegant three-course meals to relaxed BBQs, all tailored to your preferences and dietary requirements.

## Testimony

**Tonia & Phill | 7<sup>th</sup> June 2025**

Just wanted to thank you, Jess, so much for preparing and co-ordinating our wedding day on Saturday. We were thrilled with how well it all went and that's down to yourself and the team. A huge thank you 😊

So many people have since said what a fantastic day and how well it had gone. Your hard work to prepare the room for us was outstanding.

We had many compliments about how delicious the food was.

## What's Next?

After reviewing all our packages and information it can be overwhelming. Therefore, we always invite you in to come and view the club and to discuss your requirements in more detail.

Following your show-around, we can put together a bespoke package as discussed. We can hold your preferred date(s) in our calendar for up to 2 weeks, giving you time to discuss with each other and your family.

Upon confirmation, we put together your wedding contract and once signed require the £500.00 non-refundable deposit to secure the date.

We check in with you every few months to make sure everything is on track. Around 6 weeks before, we confirm the numbers, package, and payment. Then, 2 weeks before the event, we hold a final details meeting to lock in any last-minute arrangements.

We are on hand throughout the whole day from morning to midnight to make sure everything that has been planned is run smoothly!

## Booking the Registrar

Once you have confirmed your wedding date you will be able to book the registrars. Bookings through the Registry Office is first come, first booked.

The cost of the Registrar is **NOT** included within our packages.

You will be asked to give notice 28 Days prior. You will meet with the Registrars and confirm legal information prior to the Big Day.

The Registrar will run the ceremony. You will need to pick 4 ceremony songs. These cannot be religious (the registrars will double check for you)

On the day, you will both meet with the registrars seperately, to confirm information given prior. They will run through the order of the ceremony which will only last between 10-20 minutes.
